

Stage Make Up
Character Old Age Final Project

Due: In Class, Thursday, October 6, 2016

Value: 75 Points Total

Character Analysis: 20 Points

Makeup: 40 points

Participation in Critique: 20 points

Choose a character from a play who is between 55 and 70.

Write a one-paragraph character analysis/description covering age, quality of life, psychology, health, etc... Anything about the character that would impact what they look like at their age should be considered and included.

Please type this analysis and bring it with you to class.

If needed or desired, conduct additional visual/morgue research to be used to design your makeup.

Design the makeup/face sheet and practice!!

On your face sheet please include makeup colors, etc..., and as much information as would be needed for someone else to execute the design on you.

You will have 50 minutes to execute your design followed by a critique of all work.
