### **Face Sheet 6: Old Age on a Partner**

**Due:** In Class, Thursday September 29, 2016

**Value:** 10 points

Design a face sheet for character old age for your partner. (You should have exchanged your photo sheets for design purposes). Using the Morgue Research 4, old age for a partner, design a character old age with a minimum age of 60 and a maximum age of 70. This should be done on tracing paper or velum over the black and white photographs of your partner. Please do the face sheet with shading, highlight, and shadow in **regular pencil (no color pencil please)**.

On a separate paper include create a list of of all the makeup items you are using, you will fill in the colors while doing the makeup. For instance:

Base:

Shadow:

Highlight:

Blush:

Eyeliners:

Mascara:

Lips: Liner:

Powder:

Please also include notes detailing specific techniques for any corrective or alterative techniques you are using (widening the nose and thinning the lips and how you are doing it for instance).
